STAINED GLASS WINDOWS TO FEATURE SAINTS

Having completed the lower and upper stained glass windows in the church, we are planning to install stained glass windows in the church alcoves. These will be figures of saints. We have definitely decided on St. Therese of Lisieux (Little Flower), one of the most popular saints of modern times. Our parish was founded by French immigrants, and there is some speculation that one of Therese's relatives is buried in our old parish cemetery. The window with the figure of St. Therese has a donor. The two side windows in the same alcove will cost \$3,655 each. These stained glass windows will include roses complementing the window with the figure of St. Therese. If any parishioner or parishioners are interested in donating the windows, please call the church office.

HELP SPREAD CHRIST'S MESSAGE

This weekend, June 5-6, we have an opportunity to support the Church's efforts to spread the message of Christ among the men and women of our time and place through the annual collection for the Catholic Communication Campaign. Although this is a nationwide collection, fifty percent of the money we raise will remain right here in our own diocese to help support our televised Sunday Mass, Today's Catholic and our diocesan Office of Communications. I will be most grateful for your generosity in helping bring the message of Christ to more people in our country and our diocese through the field of modern communications.

In addition, we relax and enjoy each other and ourselves at dances, hayrides, dinner theater and other such social events.

You can be as active in the Knights of Columbus as your time allows.

You might choose to be an officer in our organization or limit your participation to flipping an occasional pancake at one of our Sunday parish breakfasts.

ST. VINCENT de PAUL SOCIETY MESSAGE TO ALL PARISHIONERS

Many members of St. Vincent's have been affected by the recent recession experienced in our economy. Some by loss of long-held jobs, others through extended layoffs, and many through re-structuring or downsizing in local companies that have in the past provided long term employment and job security for many of our families.

Other parishioners may be experiencing the financial burdens caused by unexpected medical expenses of hospitalization, home nursing care, or the high cost of prescriptions not covered by insurance plans.

Whatever the causes may be, if you have any current needs that you are unable to take care of or manage in the way you have been able to do in the past, please be aware that your St. Vincent de Paul Conference, your fellow parishioners, are here for you in your time of need. We may not have all the answers, or immediate solutions to all of your problems, but we hope to be able to ease your burden in some way, and we would welcome the privilege to try. Please call us at 489-3537 so we may be of service in your time of need.

St. Vincent's St. Vincent de Paul Society Conference

GIFT BEARING MINISTRY

We would like all parishioners to have the opportunity to carry the gifts of bread and wine to the altar during the part of the Mass called the "Presentation of the Gifts." Before Mass, just pick up the "Last Supper" plaque from the gift table located in front of the Baptismal Font and take it to your pew. This is a great way to mark a special date such as an anniversary or birthday. As representatives of the church community, we ask that appropriate attire be worn. Hint: Early arrival could assure your family's or group's turn at this ministry and also a pew in the center aisle.

F.A.I.T.H. (FINDING ANSWERS IN THE HOLY SPIRIT)

HOSPITALIZED? WANT A PRIEST TO VISIT?

If you or a loved one is admitted to one of the local hospitals and would appreciate a visit from one of the priests and/or parish nurse, it is good to let us know, particularly if a person is admitted on an emergency basis. With the new privacy laws affecting hospitals and other health care institutions, we do not always receive the name of parishioners in the hospitals. Parishioners are admitted and even give the name of the church, but we are not notified; nor will the hospitals give us the name of the patient if we call inquiring as to whether or not a parishioner has been admitted. You may call the church office during the day and leave the name and room number of the parishioner who has been admitted.
