Retreat

Many volunteers are needed to help with this retreat experience for our First Communicants. Please consider the following areas. If you are interested in helping in more than one area, please indicate a 1st choice and 2nd choice, etc... If you are interested in leading a session, please indicate that with the capital letter "L"

Typically your help will be needed the day of the retreat and there are two shifts. If you cannot attend on the day of the retreat but would like to help there is a need for people to assist with preparation, set up and calling done prior to the day of the retreat.
