

Seventeen Steps to Heaven A Catholic Guide to Salvation
By Leo J. Trese Sophia Institute Press

We all need help getting to heaven in any way we can. Seventeen Steps to Heaven offers measures you can take today to prevent your love for God from being steadily diminished by day-to-day pressures. The author gives solid ways to look squarely at the reality and love of God and to root out contrary attachments in your life, showing you how to improve your confessions, pray more fervently, and let the thought of Heaven inspire you to be holy.

“This book provides seventeen steps to heaven that in many ways “state the obvious”, but are some things that we need to hear at times. To an SCC that just wants to get back to the fundamentals of what we believe as Catholics to get to heaven, give this a try. Reading can be a little dry at times. Didn’t really “move” the reviewer.”
