

Raytheon Company match for St. Vincent school

http://www.raytheon.com/responsibility/community/employee_giving/

Under Payroll Deduction, click "Log In'.

Then click on "Submit New Request". Enter "St. Vincent" into the charity name and "Fort Wayne" into the city and click Submit.

Two listings for St. Vincent will show up (one with "Catholic" in the name, one without). I just called the Raytheon contact number and confirmed that these are one in the same - just duplicate listings.

So, simply select one of them, then you'll be prompted to enter amount, etc. Auto payroll deduction with company matching will start within a couple of payroll cycles.
