The Development Office will send a statement to your home for the amount that will be credited to your tuition account. This statement will be mailed out the first week of June. As always, if you have any questions please call the Development Office at 489-3537 x 247 or email Leslie Byrne at [lesliebyrne@saintv.org](mailto:lesliebyrne@saintv.org). ## **Immunization Reminder**

The following changes will be required and must be completed for all students entering grades 6th-12th grades: one Meningococcal (menactra/MCV4), one TDAP (tetanus, diphtheria, & pertussis) booster on or after 10th birthday, two doses of varicella vaccine or a signed written statement from parent stating the month and year student had chicken pox disease. The following changes are required for all students entering kindergarten: two doses of varicella (chicken pox vaccine) given on or after the first birthday and separated by three months or PHYSICIAN documentation of chicken pox disease history stating the month and year student had chicken pox. Students MUST have immunizations up to date prior to entering school. Due to these changes, health care facilities are extremely busy. I encourage you to get this accomplished immediately.
